

From The Desk Of
CALVIN HREZIK

Dear reader,

Consider this less a résumé than an invitation into my maximalist world. My work draws on years in top New York design studios and a lifelong obsession with objects that carry stories of their own - creating spaces with function, fantasy, and emotional narrative.

Work Experience:

Freelance Design Consultant, New York 08/2025 - Present
- Consulting with NYC-based studios across drawing production, sourcing, and installation while actively seeking a full-time senior role.

Darren Henault Interiors & Tent Furniture Showroom, New York 03/2024 - 08/2025
Interior Designer and Creative Operations Director
- Spearheaded the launch of Manhattan furniture showroom, leading merchandising, PR collaborations, and day-to-day operations.
Acted as the principal's right hand across client meetings, design presentations, office operations, hiring, and strategic business decisions.
- Led FF&E sourcing and vendor coordination across multiple active projects, maintaining budget and schedule integrity on behalf of the principal.

Markham Roberts, New York 03/2021 - 04/2023
Interior Designer
- Promoted within 3 months by taking on leadership of complex installations.
- Independently managed a Palm Beach pied-à-terre project - blending heirlooms with antiques and custom sourcing to deliver a layered, client-reflected design.
- Coordinated multiple high-end projects in NYC, the Hamptons, and Palm Beach, balancing design development, procurement, and client-facing communication.

Inside Elements, New York 10/2020 - 03/2021
Interior Design Assistant
- Collaborated with the principal to establish new studio workflows and contributed to design development for a Sag Harbor new-build with globally inspired guest suites.

One Kings Lane, New York 10/2018 - 04/2020
Lead Visual Merchandiser
- Opened and merchandised flagship stores in NYC, Boston, and Southampton, balancing corporate direction with local market functionality.

Miles Redd, New York 06/2018 - 10/2018
Interior Design Intern
- Supported fabric sourcing, presentation boards, and project administration including invoicing, estimates, and purchase orders.
